Dear Mrs. Jones:

It gives me much satisfaction to advise you that the board of directors of the Vintage Festival Association, at its meeting on March 22 last, unanimously voted to confer honorary life memberships upon the original board of directors and officers, and all past presidents.

As one of this distinguished group you will later receive your honorary membership card - a small but nevertheless significant token of gratitude for your dedicated service to the Festival and to the historic Valley of the Moon which it keeps green in our hearts and memories.

May I add that we would be very happy indeed to have your counsel and other help in preparing for this year's Festival, to the end that it may reflect further credit on the traditions which you have already done so much to commemorate.

Please let me know if you do feel disposed to get back into harness again, even if only to a limited degree. My downtown office will be at 114 West Napa Street, Sonoma. The phone: WEbster 8-3720. My home phone is WYman 6-6797.

In any event - whether you can be lured back into action or not - your ideas would be most helpful.

Yours very truly,

Edgar Waite,
President
